

Connecting to WiFi

1. Open the connectivity centre in the WiFi enabled device of your choice and connect to:

IHG ONE REWARDS Free Wi-Fi

2. After Connecting to **IHG ONE REWARDS Free Wi-Fi** a dialogue box will open prompting you to enter your email, IHG Rewards Number or a code:

3. If the dialogue box doesn't appear, try forgetting the network on your device and reconnecting to the Wi-Fi.

Your Authentication Options

IHG has developed technology to allow guest devices to connect automatically when visiting their hotels, if you would like to enable this feature please **proceed to Step 5**, if you would like to connect using a code please **proceed to Step 4**.

4. If you chose to use a code please enter the code **FHLBK** accept the terms and conditions and click connect.

5. If you chose to connect using your Rewards account please follow the instructions in the below dialogue box
